

# Liquid Helium Purchasing Program off to great start with 7 universities

Thanks to a new OPA Liquid Helium Purchasing Program, seven universities have been able to buy helium that is affordable and reliable, ensuring that researchers' experiments can be conducted in a timely manner.

## The colleges/universities enrolled include:

- |                                |               |
|--------------------------------|---------------|
| 1. Stanford University         | Palo Alto, CA |
| 2. Boise State University      | Boise, ID     |
| 3. West Texas A&M University   | Canyon, TX    |
| 4. University of Memphis       | Memphis, TN   |
| 5. Amherst College             | Amherst, MA   |
| 6. Worcester Polytechnic Univ. | Worcester, MA |
| 7. University of New Hampshire | Durham, NH    |
